### SKILLS

---

- Teaching and Tutoring
- Chemistry Knowledge
- Effective Communication
- Elderly Care and Assistance
- Empathy and Patience
- Organization and Planning

Dedicated professional with a strong background in chemistry and extensive experience in both teaching and elderly care. Seeking a role that allows me to combine my passion for education and compassionate caregiving in a collaborative and enriching environment.

#### **Chemistry Teacher:**

With over 22 years of experience, I have been a committed Chemistry Teacher since 1983, beginning my career at San Marcos College in Cuba. I later spent two decades at Israel Rojas College, where I crafted engaging curriculum, delivered impactful lectures, and provided mentorship to students, fostering their academic growth.

#### **Elderly Caregiver:**

For the past 7 years in Palm Springs, Florida, I have devoted myself to providing compassionate care for the elderly. Assisting with daily activities, medication management, and offering emotional support, I have developed meaningful relationships while upholding the dignity and well-being of those under my care.
